If you have work conflicts, athletics, etc., you must make alternative arrangements at least two weeks prior to the scheduled exam date to allow for preparation of another exam. I will determine whether or not a legitimate conflict exists. Other exams, papers, or social events are not considered conflicts. You are expected to manage your time. **A PHOTO ID IS REQUIRED FOR ALL EXAMS**

Final Exam:

This is a comprehensive exam covering all nine chapters we have studied this quarter. It is not an optional exam **and must be taken at the scheduled time.**

Quizzes - 40 points

Chapter quizzes will not be announced. These in-class quizzes will be closed book and closed notes. There will be no makeup for missed quizzes. The quizzes will range in value from 7 to 10 points. There will be approximately 90 points available throughout the quarter. The maximum number of points you can get in this area is 40.

Homework - 40 points

Homework will be on-line and manually done. Both online and manual homework will be worth a maximum of 5 points per chapter. There will be one online HW per chapter and will be graded by CengageNow. Manual homework will be accepted only on the assigned day during the first 15 minutes of class AND must be a **photo or scanned copy** of your original manual homework. There may be more than one manual homework assignment per chapter for a maximum of 5 points per chapter. Again, there will be approximately 90 points available throughout the quarter. The maximum number of points you can get in this area is 40.

Project – 20 points

There will be one group project assignment due. You will be graded on your cooperation within the group and on the successful completion of the project by your group.

Important items:

Quizzes – Extra Credit

The on-line quizzes due the same day the chapter is assigned to be read are extra credit. There will be 9 quizzes and each will be graded by the homework online system. The quizzes are worth 5 points each for a maximum of 40 points possible.

Attendance:

Your class attendance is an integral part of the learning cycle. It is your choice as an adult to attend class. However, if you miss three consecutive classes, I can drop you. It is your responsibility to handle your scholastic life yourself. If you decide to drop this class, **YOU** should do so in a timely manner.

Personal integrity:

I expect all students to do their own work unless otherwise asked to by the instructor. If there are any problems, the student/students will be sent directly to the Dean of Student Services. If the problem concerns more than one student, all students involved will be disciplined. Your instructor has the right to assign a grade of "F" for any infractions. If you have any questions, please consult the college schedule under "Academic Integrity". Please, let us have no problems in this area.
