8. leadership class

formal, no fee, no unit, mandatory class for all senators taught b y DASB advisor.

shoko moved to approved leadership class. nelson seconded.
discussion started.

chad zichterman expressed on his opinion for the current senate and leadership class.

jean argues the proposed topics of the leadership class would take too long.
there is a need to focus on what is our priority. it would be better if all members of dasb and leaders of clubs to participate in the class.

jorden reminds the senate that there is a great influence by the senate but the power is limited

stephy finds the leadership class instrumental to senators.

robin expresses his concern about the leadership class.

robin objected to end the discussion.

10 favored. 2 not in favored.

discussion ended.

15. Satellite Office

Calvin introduced the satellite office. Senators in the office should direct students for their questions.
