II. Needs

A. Current Need for At-Large Tenure Faculty members

Dear Tenured Faculty Colleagues:

Currently, since hiring is being done/has been done for faculty positions approved last academic year by IPBT, there is a need for:

At-Large Members for Tenure Review Committees (tenured faculty)

All faculty wishing to volunteer, please submit requested information on Request to Serve form by WEDNESDAY, SEPTEMBER 22, 5:00 PM for the current group of Tenure Review committees in need of at-large members.

Academic Senate assigns and confirms At-Large members from the eligible pool of interested volunteers based upon responses on form and:

- 1) whether the faculty is already assigned to be a member of other Tenure review committees within the past 2-3 years, in order to spread these opportunities as widely as possible to eligible interested faculty.
- 2) to help achieve the greatest gender and ethnic diversity balance on the committee.

Thank you for your interest,

Mary
