1) Quick News

Measure C was discussed, the Measure E proposed project completion list was discussed at length. A copy of the final list will be provided to the team at the next meeting.

2) Measure C Up Date:

The team discussed the plan for staffing for Measure C. Two project managers will be hired by the district to supervise and manage projects on De Anza and Foothill campuses. The district held a lessons learned session pertaining to Measure E and will incorporate the information into the hiring processing etc., the group asked that users to included in the planning phases for upcoming projects.

3) Policy for Awnings:

Discussion will begin at the upcoming meeting.
